

CORE & PIZZA
IL VERO TRONCHETTO DI FAGGIO

CLASSIC

Core & Pizza Classic is a beech and oak briquette from selected FSC certified crops, of excellent quality, ecological, sustainable, without bark, without any glues or chemical additives, produced with very high pressing for a great radiant heat.

The **Core & Pizza Classic** briquette produces an excellent reserve of embers for a healthy cooking, does not produce smoke and keeps the temperature in the oven always constant. 18 kg of logs are comparable to twice the best wood, taking up less space and simplifying the management of the oven and stockings.

Certified by chemical and bacteriological analysis at the Istituto Giordano printed on the box, the **Core & Pizza Classic** briquette is in compliance with the emissions of carbon monoxide and harmful gases as set out in the Carbon-Tax standard as well as with the H.A.C.C.P. system for the treatment and preparation of food, completely solving the problems related to the local hygiene chain as per European regulation CE 852/04.
